Bookings

Booking a course reserves your place on that course. A booking is only secure once the payment is received. Places on courses cannot be reserved until payment is received.

A booking for any course throughout the year can be placed at any time and your place will be reserved.

Refunds

Once a course **has started refunds cannot be given** since your place booked on that course has been reserved for you. **Decisions to either go ahead with a course or turn bookings away are based on bookings already taken.** Once course has started there are no refunds for missed sessions (unless the class does not go ahead, see below).

Refunds for courses booked in advance will be given, but 7 days notice before course start date must be given. If a course is booked in advance as part of a discount or promotion, no refunds will be given.

If a session does not go ahead (this will only happen in extreme circumstances) refunds will be given or an extra session put on, or class participants can decide which they prefer. The amount of the refund only applies to the session cancelled not the full course.
